It is recommended that you arrive at the Start Venue at least one hour before your start time. Firstly, after arrival, please reverse your car into your allocated parking space (By Start Number) within the competitors car park, as shown on the start venue plan. The Club Scrutineer will have opportunity to observe cars and carry out an inspection if thought it is needed.

There is no signing on this year in the Hall as you will already have signed on via RalliesInfo online. However, you will still need to go into the bar area in the Hall to collect your pack containing:

*A Rally Plate (to be placed in a prominent position, inside or outside the car)*

*Two Numbered stickers (to be placed in a prominent position on the side of the car ie. Rear Side Windows)*

*Road Book or Route by Map Ref. If you want both, please advise Stuart Pye asap.*

*Route Check Record Cards*

*Meal Vouchers for Breakfast, Lunch and Evening meals.*

## **Event Starters**

This year, cars will be flagged away by Ann Roberts and 2300 Club President Joan Molyneux.

**Please be ready to start at your designated Start Time from the Gazebo at the exit of the car park.**

On the route not every junction is indicated. The correct route follows the obvious "main" road until the inter. mileage from the previous instruction has been completed. You should then be at a junction which agrees with the next instruction.

Whilst following the route you will find that certain points are designated as "Check Points". These will be either unmanned or manned. At the unmanned Check Points you will find a board bearing code letters/numbers, these must be recorded in the appropriate space on your Check Point Record Card. At manned Check Points you will be shown a code and verbally given a time for you to write down in the appropriate space on your Check Point Record Card. A note of the time given will be made on the Marshals check sheet to ensure fair play.

At the finish of the Run all entrants with a "Full House" on their Check Point Record Cards will be entered in a prize draw for various awards.

If for some reason you are forced to abandon the Tour, please ring an Official on one of the following numbers as soon as possible.
